Price Increase for 2027

Dear valued partner,

We would like to inform you of a price increase that will take effect on 1 January 2027.

For the period from 1 January 2027 to 30 June 2028, several agreements regarding wages and employment conditions have been made under the new Collective Labour Agreement (CLA).

These agreements include a salary increase of 3.1% for all employees, effective 1 January 2027. From this date, employees will also be entitled to a travel allowance of €0.25 per kilometre, the maximum tax-free amount. In addition, employees who have been with the company for more than 20 years in 2027 will receive a loyalty bonus of €1,000. Employees who already received this bonus in 2025 will not be eligible to receive it again.

In addition to these CLA agreements, the costs of supplies and materials have also increased. Furthermore, vehicle-related costs are expected to rise again in 2027 due to various government measures. Finally, adjustments to social security contributions will result in additional costs.

As a result of these developments, we will be increasing our rates by 3.9% effective 1 January 2027.

Should you have any questions, please do not hesitate to contact us.

Kind regards,

Koen Janssen
